Dear WSD Community:

Please find below this week's health and safety update.

- Please remember that one of our most important mitigation strategies is any individual showing COVID-19 symptoms to stay home from school.

- Since my last communication in this regard (May 13), 24 members of our community have tested positive for COVID-19, and were at Beecher Road School when potentially contagious:

- If you are interested in receiving one or more COVID-19 test kits, please contact my office; we have an ample supply provided by the State of Connecticut.
