Dear WSD Community:

Please find below important health and safety updates related to this past week:

- It is essential that children who show signs of sickness stay home from school. Please [contact our Nursing Supervisor, Robin Froehle, RN](#), with any specific questions in this regard.
- Since my last communication in this regard (February 11), 6 members of our community have tested positive for COVID-19, and were at Beecher Road School when potentially contagious:

Case	Reported to BRS	Last at BRS
1	2/17/22	2/16/22
2	3/6/22	3/4/22
3	3/6/22	3/4/22
4	3/8/22	3/7/22
5	3/10/22	3/9/22
6	3/11/22	3/10/22

Each Friday, my office will continue to notify the community of the weekly positive COVID-19 cases of BRS community members who were in school when potentially contagious.

- Please [notify BRS Principal Analisa Sherman](#) if your child tests positive for COVID-19.
- Voluntary weekly testing for COVID-19 continues for interested families; students leave class for approximately 15 minutes Wednesdays between 11:15 and 2:45. If you are interested in enrolling your child in this voluntary program, please complete [this two-page form](#) and [forward it to my attention](#).

Thank you again for your continued support of the health and safety of every single member of our community, and please [e-mail back](#) with any questions or concerns you may have.

Sincerely,

Jonathan S. Budd, Ph.D.
Superintendent
