Dear WSD Community:

Please find below important health and safety updates.

- Wednesday morning, the Woodbridge Board of Education heard a presentation on our administrative team's response to COVID-19 rates that are rising not just here at Beecher, but also across the State. A highly important strategy is for each individual to stay home from school when sick; such a decision has a huge positive impact on all in our community!
- Since my last communication in this regard (May 6), 33 members of our community have tested positive for COVID-19, and were at Beecher Road School when potentially contagious:
