Dear Beecher Road Families:

The administrators, teachers and staff of Beecher Road School have been working hard this past week preparing the school, grounds and classrooms for the opening of school on Tuesday, August 30th. While we anticipate a smooth opening, we would like to inform you that if there are any after effects related to Hurricane Irene that impact on the opening of school, we will use our Instant Alert system to keep you informed. As you do during inclement weather in the winter months, please check the usual television channels (WFSB Channel 3, WTNH Channel 8, and WVIT Channel 30), radio stations and/or our district website (woodbridge.k12.ct.us) to receive any additional information.

We will continue to closely monitor the storm. In the event that the timing and tracking of the storm changes more dramatically, we will work in collaboration with the other BOWA districts (Bethany, Orange & Amity) in making whatever decision is necessary to guarantee the safety of children and staff.

Thank you for your cooperation and support. We are looking forward to greeting you and your children on Tuesday, August 30th and working closely with you throughout the year.

Stay safe this weekend!

Sincerely,

Gaeton F. Stella, Ph.D.
Superintendent
