Dear Parent(s)/Guardian(s):

The Woodbridge School District continues to strive to provide opportunities for parents and guardians to have meaningful communication. While our personal interactions give strong indicators of the strengths of our school and the education provided to Woodbridge children, we also look for evidence that will help us continue to grow as a learning community.

Please support our efforts by participating in the Beecher Road School Parent Survey. You can access the survey through the link on the district website or directly at:

<https://www.surveymonkey.com/s/BRSJune2013>

The survey will be open to parents through Wednesday, June 12, 2013, and will take only a few minutes to complete. If taking the survey on-line presents a challenge, hard copies will be available in the North Office.

We appreciate your partnership and thank you for your active participation in your child's education.

Sincerely,

Gaeton F. Stella, Ph.D.  
Superintendent
