Dear Beecher Road School Families:

As was mentioned in a previous *Parent Update*, the Woodbridge Public Library and the Woodbridge School District have entered into a partnership to promote study of world languages and cultures. We have contracted with **Transparent Language Online** to provide digital access for BRS families and citizens of Woodbridge to over 60 world languages, including classical languages such as Greek, Hebrew and Latin as well as access to more than 25 English as a Second Language programs. To access **Transparent Language** go to the Woodbridge Public Library website **OR** the Woodbridge School District website:

- Click on **Transparent Language** link.
- At **Transparent Language** online Homepage, click on the **PURPLE** tab on the top right under NEW user, which states “**Sign up with barcode or user ID.**”
- Using your Woodbridge Library barcode, click “**Register.**”
- Create a **User name and Password** to save your progress as you work. The Library Tech team at Beecher Road School recommends the use of the following username format:
  - Student’s First Name, followed by the Year of Graduation: Ex., Christopher2015.
- Do Record username and password for future references.
  - Note: the main language and email are not required but email can help retrieve forgotten password at a later date.
- Do **NOT** use Student’s Last name in registration process.
- Do **NOT** check additional two boxes at bottom left, it will email unneeded information.
- Finally click “**Create Account.**” You are ready to explore **Transparent Languages!**

If you have any questions about accessing the program, contact Todd Fabian, [tfabian@woodbridged.org](mailto:tfabian@woodbridged.org)

Best wishes to all for an enjoyable summer!

Sincerely,

Gaeton F. Stella, Ph.D.
